

Lotus Corps Presents the 2012 *Carl Grabowski*  
**Drivers Education Track Day**

Monday, May 21<sup>st</sup> 2012

Please join us for our ninth Track Day at Blackhawk Farms Raceway in Rockton Illinois.

*You'll be able to:*

- Drive your car closer to its limits
- Hone your skills at one of the best tracks in the Midwest
- Learn how to drive fast SAFELY
- Enjoy the company of other sports car nuts

*For whom is this event intended?*

This is a day for all levels of driver skill. Depending upon experience, you will be placed in one of three groups, created to fit the Daring First Timers (Green Group), the Middle of the Laners (Yellow Group), and the Fully Prep'd Drivers (Red Group). In-car and classroom instruction will be provided.

**Our Chief Instructor this year is once again Mr. Phill Miller!**

- Green Group** – Drivers with little or no track experience, **all convertibles without a roll bar.**
- Yellow Group** – Moderately experienced drivers who have attended several Driving Schools or other track events.
- Red Group** – Very experienced drivers who have attended many Driving Schools, track events, or with race experience.

*What do I need to bring?*

Make of car does not matter. You can come with your Daily Driver OR with your Sports Car. As long as the vehicle passes the Tech Inspection, you will be allowed to run.

**The minimum safety equipment that is required is:**

- Helmet with a Snell SA rating of 1990 or later – No motorcycle helmets allowed.
- Long sleeve shirt made of cotton or fire resistant fabric.
- Pants made of cotton or fire resistant fabric.
- You are encouraged to bring any other safety apparel you have!
- Most importantly, bring a good attitude. This is an Educational Event - not a race, not a time trial, not a competition. You will get plenty of track time.

*The Bottom Line* \_\_\_\_\_

All of this will cost between \$195 and \$210 per driver if you register by March 24<sup>th</sup>. The cost will increase by \$35 after March 24<sup>th</sup>. Please note that Blackhawk Farms charges \$10 per person for entry to the facility. This is included in the driver fee, but any guests or crew members will be additional. The concession stand will be open for Breakfast and Lunch. Registration is limited, and spaces will fill fast, so don't delay!

*Is this too much? Does FREE sound better?*

We are looking for volunteers to help work the corner stations or to assist with other activities at the track. This is a great way to begin your track experience, AND you will receive FREE touring laps on the track at lunchtime. If you don't wish to be a volunteer, but would still enjoy Lunchtime Touring, you may register at a cost of \$50.

**All entrants, including those who are only participating in touring, should fill out the registration form on the next page and check the appropriate boxes.**
