WARRANTY INFORMATION

For covered repairs, with repair/claim dates on or after August 1, 2017, Warranties will only reimburse in exact quantities – the 1/10 liter “billing part numbers” for the applicable bulk engine oil (tanker or drum) that is needed after the completion of an engine repair (partial or full) or when an “Engine oil” maintenance service task is performed.

For these applicable claim submissions, the “one-liter bottle” part numbers will no longer be eligible for reimbursement.

Please refer to [SI M01 04 15](#) for more information concerning proper invoicing procedure.
