Everything from Mini Mokes to Aston Martin DB4s were at last year's Rolling British Car Day

If you haven't attended our "**Rolling British Car Day**" yet, you've really, really missed a unique event! Last year, in spite of weeks of rain preceding the event, and rain on the day of the event, we still had over 125 wonderful British Cars of all shapes and sizes participate for a backcountry tour of San Diego, ending at Felicta Park in Escondido for a great picnic. That didn't even count a couple of modern irons!!

The purpose of **Rolling British Car Day** is simple – to get as many folks and clubs together as possible, and to put their wonderfully different British cars on the road!! We seek to foster camaraderie and have you meet new friends and see old ones! It's quite a sight to see British cars as far as you can see ahead of you, and even more in your rear view mirror!!!

Rolling British Car Day is a non-competitive, no stress, only-fun-allowed event. There are no fees, no applications, no judging and no trophies... **but we will have FREE raffle prizes at the end! WHAT A DEAL, EH???**

This year's event will be similar to last year, in that in previous years, we've just become too doggone big for any restaurant to handle us! So, bring those great English picnic baskets – time to show off all the goodies you've been collecting all these years!

We will be touring the back county of San Diego. We will make a pit stop at the famous *Dudley's Bakery* in Santa Ysabel, and then onto the beautiful *Menghini Winery* in Julian. Mike Menghini is a British car owner (MG TC), and has a fantastic picnic area we are welcome to use. The Menghinish will be providing brief tours of their winery and wine tasting, and **we would encourage you to buy their excellent wine** as part of your picnic. **In fact, we'd downright discourage you from bringing your own wine!!!!** ☺ ☺
